

FEATURING IN-HOUSE, 8-COLOR LABEL PRINTING

Sexton cans are available in sizes ranging from 200 x 200 to 300 x 709, with a variety of dome/step options.

CAN DO.

Colorful Cans — made to your exacting specifications.

For eye-catching, high-quality steel containers that dispense adhesives & sealants, refrigerants, automotive aftermarket products, paints & coatings, and much more — with or without pistons — depend on Sexton.

The capacity to hold liquids of any consistency, along with dome and dimensional options that give you maximum flexibility, make Sexton cans a less expensive alternative to 38-45mm aluminum.

Regardless of the fill product, there's a Sexton solution that meets your needs.
